PLEASE NOTE

1. Only the official electrical contractor is permitted to carry out work on-site
2. It is your responsibility to order the appropriate socket wattage for your equipment and not overload supply.
3. Generally, a 500w Socket is fine for a laptop, PC or TV
4. Kettles & coffee machines require a 3kw socket / fridges & freezers require a 24hr supply.
5. Mid-stand light fittings may require support battens.
6. Floor sockets will only be fitted to raised floors.
7. All electrical equipment fitted to the stand is on hire and will remain the property of the electrical contractor.
8. Any damage caused to the equipment by the stand holder will be charged to the stand holder.
9. No adaptors are allowed and no flexes longer than 2m are permitted.
- 10. Any electrical points ordered and not fitted must be brought to our attention before or during the exhibition. We cannot guarantee any refund for items not installed if brought to our attention after the event.**
