However, for the avoidance of doubt and without prejudice to any other clause in these Terms and Conditions (including for the avoidance of doubt clause 4), it is expressly agreed that it is reasonable for us to make optimal use of any premises and try to accommodate as many Exhibitors as possible. We retain the discretion to vary the Booking once we have assessed the Venue, amount of space, and allocation of the Exhibitor’s

For Virtual Events you may exhibit for the duration of the 'live' Virtual Event (when you are expected to be available and on hand to interact with visitors) and any 'on demand' period following the Virtual Event (this is when the Virtual Event is available to visitors/delegates to view and use, but your availability and accessibility is at your discretion).

4. APPLICATION FOR EXHIBITOR STAND SPACE AND/OR VIRTUAL EVENT PLATFORM

4.1 We reserve the right to grant, refuse, cancel, and reallocate any booking on written notice.

4.2 The position and area of Exhibitor Stand Space and/or the Virtual Event Platform allotted shall be at our sole discretion.

4.3 The booking of Exhibitor Stand Space and/or the Virtual Event Platform indicates your acceptance of these Terms and Conditions. Where the means of booking used by you contains your own Terms and Conditions, these shall have no effect. The only Terms and Conditions that will be applicable to the contract will be ours.

4.4 If booking to exhibit at a Conference, all conference exhibitor and sponsorship bookings must be made in writing using the Booking system (paper or Online Booking).

5. EXHIBITS

5.2 You warrant that your Exhibits and the Exhibition Stands shall comply with all Relevant Legislation and Regulations and any Venue standards.

5.3 You shall ensure that, in our opinion, no Exhibition Stand, display, or other erection shall interfere with gangways, walkways, fire and emergency equipment, fire and emergency exits, the boundaries or other designated areas within the Event, or to cause any inconvenience to or intrusion onto any other persons, Exhibitors or visitors whatsoever, or obstruct the light or impede the view along the open spaces or gangways, or to occasion inconvenience, or otherwise affect the displays of other Exhibitors (branding can only be applied to the inside of stands and not on the outside or back without prior approval). In the event that you do cause such interference then, on our request, you shall cooperate in remedying the situation as soon as possible.

5.4 You should arrive in sufficient time to allow your Exhibition Stand Space and Exhibition materials to be fully erected, no later than one hour before the commencement of the Event. For Virtual Events you should allow sufficient time for your Virtual Event Platform content to be designed,

populated, collated and uploaded, no later than forty-eight hours before the 'live' Virtual Event. 5.9 You shall indemnify us in respect of all claims arising from the use of the allotted Exhibitor Space, the Exhibits, and all representations and actions of you, your employees, consultants, and/or sub-contractors during the Event.

5.10 No acceptance by us of the allocation of the Exhibitor's name to any particular part of the Exhibition floor plan, or stand number, will constitute any agreement, warranty, or representation by us that you are entitled to exhibit at the Venue or Event in such a particular space and stand number. We reserve the right, without any legal obligation to give you notice, to alter the Venue layout of any Exhibition floor plan, or position of any stand, at any time within our discretion without any obligation to reimburse Fees or a portion thereof to you.

- part of the same group of companies as the Organiser; or is in any way in breach of the Contract or Relevant Legislation and Regulations;
- vi. contravenes the guidelines contained in the Event Information; or
- vii. If removal is necessary by virtue of a court injunction, court order or judgement, or a recommendation or decision of Trading Standards.

Failure to comply will permit us to require you to either reduce the size of the display stand, or on our demand its total removal where this is not possible. Provided that in doing so, we shall be under no obligation to pay you any compensation whatsoever.

6.2 By entering into the Contract you warrant to us that all designs and artwork on or relating to the Exhibitor's Stand and Exhibits and/or Virtual Event Platform, shall not infringe any of our trademarks, copyright, patents, or our other intellectual property rights or those of any third party whatsoever.

7. REDUCTION OF EXHIBITOR STAND SPACE

8. STAND AND CONSTRUCTION SERVICES

8.1 You hereby acknowledge that we may appoint official Stand Contractors and, where directed by us, you must use the same company for the construction of the Exhibitor's stand.

8.2 We will appoint approved Stand Contractors for all structural work, including shell scheme construction. It is a condition of the Contract that you do not cause damage to any shell scheme or structure put in place by the Stand Contractor. Exhibitors occupying Exhibition Stands are responsible for the cost of making good, restoring, or renewing any damage or dilapidation to the Exhibition Stands and other structures, floor coverings, light fittings, or any part thereof, whether caused by themselves, their agents or contractors, or by any person or persons employed or engaged on their behalf by any such agent or contractor. Exhibitors are also responsible for the same damage or dilapidation caused by any visitors to their Exhibitor Stand Space. The cost of making good damage, together with any cost for clearing and cleaning items or waste left behind by the Exhibitor, will be assessed by the Stand Contractor, Venue, and/or us and charged to the Exhibitor. We in conjunction with the Venue, will inspect every site before the stands are erected and after the stands have been dismantled. Dilapidations include (by way of example only) marks caused by paint, distemper, mortar or any other adhesive substance, bolt, screw or nail holes, battens, boarding, or any other material or substance attached or adhering to walls, floors, or any parts of the Venue.

8.3 Without prejudice to the terms of the Contract, and subject to any further consent required for a particular Venue, the Exhibitor may request the contact details of the Stand Contractor from us so that the Exhibitor may separately agree any further requirements they have directly with the Stand Contractor.

8.4 We reserve the right to change or substitute the Stand Contractor at our sole discretion.

8.5 You must ensure that all your employees, contractors, subcontractors, and agents in the course of construction and dismantling of their stands, and in the course of all work carried out at the Event Venue or the Virtual Event, ensure that all necessary steps are taken to comply with all Relevant Legislation and Regulations and Event Information.

8.6 Where we recommend the services of a contractor to you, we make no representations to you as to the competence of the contractor, and accordingly you should satisfy yourself as to the contractor's terms of business and to the contractor's competence or suitability to carry out the work proposed.

8.7 Where we require that no Exhibitor may use any contractor except the one nominated by us, we have made every reasonable effort to ensure that the contractor is competent to carry out the work for which it has been nominated. However, we are in no way responsible for the work carried out by the nominated contractor and there shall be no deemed contract in existence between you and us with respect to the services of the nominated contractor. We shall be liable to you only to the extent of negligence in appointing a nominated contractor, and our liability shall be limited to the lesser of the value of the contract between you and the independent contractor or the value of the total Exhibitor Stand Space charge actually received from you by us.

16. FORCE MAJEURE

16.1 Neither us nor you shall be in breach of this agreement nor liable for any failure or delay in the opening of an Event, or failure to perform any of its obligations under this agreement if that delay or failure is caused by circumstances beyond its reasonable control of either party (a Force Majeure event). Where such an event occurs, the obligations of the parties will be suspended for so long as the Force Majeure event continues.

16.2 Where the Event and/or the Virtual Event has started prior to the Force Majeure event, you must continue to observe the Relevant Legislation and Regulations and Event Information. This clause shall not operate so as to cause the Event to be opened or to remain open after the last scheduled day for the Exhibition.

16.3 In these circumstances the affected party shall be entitled to a reasonable extension of the time for performing its obligations, provided that, if the period of delay or non-performance continues for one month, the party not affected may terminate this agreement by giving 14 days' written notice to the other party.

16.4 Unless otherwise agreed in writing by us, we will not be obliged to reimburse you any payments made.

17. INDEMNITY

17.1 You shall fully and effectually indemnify us and keep us indemnified against any liability and all costs, claims, demands, actions, proceedings, and losses whatsoever made against or incurred by us as a result of you exhibiting or advertising any goods or services at the Event and/or a Virtual Event or a breach by you of any third parties' intellectual property rights.

18. LIMITATION OF LIABILITY

18.1 Except in respect of any personal injury or death for which we may be liable at law, our total liability to you in respect of any breach of contract or negligence shall not in any circumstances exceed the total amount of any payment received by us from you for the Exhibition during which any loss arises.

19. INSURANCE AND EXCLUSIONS

19.1 You shall effect, at your own cost, full indemnity insurance, to a minimum amount of £10,000,000, against usual risks in respect of loss, damage, or injury to goods or persons, for the full duration of the Event.

19.2 Exhibitors' stands and exhibits are not accepted into the custody or control of the licensor, and exhibitors shall make their own insurance arrangements. We and UCAS take every precaution to protect exhibitors' property during any event, however they are not responsible for any loss or damage.

20. PROMOTION AND REPRESENTATION

20.1 Whilst we will use our reasonable endeavours to organise and promote the Event and/or the Virtual Event in such a manner as it may consider appropriate, we reserve the right to amend or vary the manner or methods of such organisation and promotion and, therefore, any statement made by or on behalf of us as to visitor projections, or methods, or timing of promotions shall constitute only general indications of our promotion and organising strategy, and shall not amount to any representation or warranty.

20.2 Any application for Exhibitor Stand Space and/or Virtual Event Platform or any acceptance thereof by us shall not be conditional on the presence, or location, of any other Exhibitor at the same or any other Event and any reference to such shall not apply to any contract between us and you for Exhibition Exhibitor Stand Space and/or Virtual Event Platform.

21. DATA PROTECTION

Personal data you supply to us as part of the Booking will be processed in accordance with the Data Protection Act 2018 and any re-enactment, amendment, extension, or replacement from time to time. Our [privacy policy](#) sets out how we use your personal data and on what lawful basis we do so. It also contains other information with respect to the processing of your personal data.

22. GENERAL

22.1 Each and every of our rights or remedies under the Contract is without prejudice to any other right or remedy we have under this or any other Contract.

22.2 If any condition or part of the Contract is found by any court, tribunal, administrative body, or authority of competent jurisdiction to be illegal, invalid, or unenforceable then that provision will, to the extent required, be severed from the Contract and will be ineffective without, as far as is possible, modifying any other provision or part of the Contract and this will not affect any other provisions of the Contract which will remain in full force and effect.

22.3 No failure or delay by us to exercise any right, power, or remedy will operate as a waiver of it, nor will any partial exercise preclude any further exercise of the same or of some other right, power, or remedy.

22.4 The parties to the Contract do not intend that any of its terms will be enforceable by virtue of the Contracts (Rights of Third Parties) Act 1999, by any person not a party to it.

22.5 The Contract contains all the Terms and Conditions which we have agreed in relation to the Contract and supersedes any prior written or oral agreements, representations or understandings between the parties relating to the subject matter of the Contract. You acknowledge that you have not relied upon any warranty, representation, statement or understanding made or given by or on our behalf which is not set out in the Contract.

22.6 Nothing contained in the Contract, and no action taken by the parties pursuant to the Contract, will be deemed to constitute a relationship between the parties of partnership, joint venture, principal and agent or employer and employee. Neither party has, nor may it represent that it has, any authority to act or make any commitments on the other party's behalf.

22.7 Any notice hereunder shall be in writing and shall be served by hand or post to the registered office for the time being of the party on which it is to be served unless stated otherwise in these Terms and Conditions.

22.8 These Terms and Conditions shall be governed by and construed in accordance with the law of England, and each party agrees to submit to the exclusive jurisdiction of the courts of England.

Exhibitor code of conduct (virtual events)

Who does this apply to?

This code of conduct forms part of the exhibitor terms and conditions and applies to exhibitors or organisations/sole traders of any background booking marketing opportunities or page/stand at a virtual exhibition or conference.

Introduction

UCAS organises virtual events for prospective students to gather information, advice, and guidance about education and career opportunities, from a wide range of course providers and organisations. To ensure students' needs are at the heart of the virtual exhibitions, and all exhibitors are able to engage effectively with students, advisers, parents and other participants, all exhibitors must adhere to this code of conduct. The code of conduct has been developed with the advice of HELOA.

Staffing

- Exhibitors should be available during the live open period of the event. Exhibitors are required to be available at the event for the duration of the live opening times (they may also be available during the on demand period although this is not a requirement), to ensure that all visitors have fair access to information and advice.
- All members of staff attending or working at events should be given a copy of the code of conduct, and fully comply with it. Your staff represents your organisation and therefore they should appear professional, friendly and welcoming at all times. They should display a high standard of professionalism in their work, and offer information, advice, and guidance effectively, and with integrity. Any member of staff, who at UCAS' discretion appear to be rude, disregard instructions from the organisers or moderators, or behave in any way that we deem inappropriate for a UCAS exhibition, will have their access/login removed for the event with immediate effect. All incidents of this nature will be followed up and reported to the provider/organisation the member of staff represents.
- Exhibitors should provide appropriate personnel to staff their virtual profile page/stand, adequately trained with sufficient knowledge to offer quality representation of their provider or organisation. Pre-event information should be passed on to those attending the event.
- For any live elements of digital delivery, your staff's clothing must be deemed appropriate for a business event and we reserve the right to remove individual access if we deem the clothing to be unsuitable.
- Please carefully consider who should work at each event e.g. do they represent the diversity of your organisation, and ensure a list of staff and their access requirements (e.g. login level – admin or attendee) is registered with UCAS in advance of the event so that logins can be created in a timely manner.
- Exhibitors should inform UCAS if they are unable to host a profile page/stand that has been booked and populated with information at a virtual exhibition. It may be that the profile

page/stand is live, in which case the exhibitor must notify UCAS so that any live elements can be hidden. Exhibitors would still obtain leads and would still have visitors collecting information from their profile page/stand.

Participating in areas outside your profile page/stand e.g. networking areas or other exhibition profile pages/stands

- Exhibitors may visit other exhibition profile pages/stands but are not permitted to carry out any activity, such as post in the chat of another organisation, which has the effect of (intended or otherwise) poaching visitors to their own profile page/stand. This applies to the UCAS profile page/stand as well as all other exhibitors.

Engaging with visitors on your profile page/stand:

- Promote your attendance via social channels – encourage people to your profile page/stand.
- Include wide range of useful content on your profile page/stand.

Marketing materials

All promotional material that are uploaded to the virtual event should be relevant and provide a balanced view of the organisation it represents e.g. if an organisation were to state “The University of Name is in the Top 5 for Student Experience in the UK”, there should be a reference to the source of this statistic.

Uploads are limited by those items booked.

Virtual Event Content, Design and Theme

All Virtual Event Platform content, design and theme must:

- a. comply with all applicable laws;
- b. be true, complete and accurate;
- c. not contain any personal data (within the meaning of general data protection legislation);
- d. contain no marketing promotions (whether third party or otherwise unless agreed with UCAS in advance of the event);
- e. not contain any viruses;
- f. not be libellous, contain any foul language or other obscenities;
- g. not be likely to infringe UCAS intellectual property rights or any other legal rights of us or any other third party, such as another exhibitor;
- h. not be undesirable or detrimental to the Virtual Event, or to other fellow Exhibitors; and
- i. not contain any words, images, or material that could, in the sole opinion of UCAS or UCAS Media, potentially harm the reputation of UCAS. **PLEASE BE ADVISED IF A PROFILE PAGE/STAND CONTENT, DESIGN OR THEME IS DEEMED INAPPROPRIATE OR NON-COMPLIANT AT UCAS’ SOLE DISCRETION, YOU MAY NOT BE PERMITTED TO THE PLATFORM.**

Upholding the code of conduct and raising concerns

UCAS recognises that exhibitors work hard to comply with the code of conduct, and in the unlikely event that issues arise, any concerns will be addressed quickly. Any exhibitor, speaker or visitor with concerns should initially raise these with the UCAS event support team. A UCAS representative will liaise with the relevant exhibitor(s) to seek a resolution and remind them of the expectations set out in this Code of Conduct. All issues raised will be logged and reviewed regularly by UCAS.

If issues arise repeatedly, the provider/organisation will be notified, and in our sole discretion appropriate resolution sought. **ATTENDANCE AT FUTURE EVENTS MAY BE JEOPARDISED IF THE CODE OF CONDUCT IS NOT UPHELD.**

For the avoidance of doubt, any breach of this Code will constitute a material breach of contract, entitling us to exercise any of our rights contained herein, including termination and will not entitle you to any refund of the Fee and you may be liable to reimburse us our costs incurred in respect of services in connection with the Event.

UCAS can be contacted at events@ucas.ac.uk before, during and after the virtual exhibition/event.

Exhibitor code of conduct (conferences)

WHO DOES THIS APPLY TO?

This code of conduct forms part of the exhibitor terms and conditions and applies to exhibitors or organisations/sole traders of any background booking marketing opportunities or stand space at a virtual conference.

INTRODUCTION

UCAS organises virtual conferences for teachers and advisers working with and advising students on their choices and applying to enter higher education. To ensure that delegate's needs are at the heart of our virtual conferences and that all exhibitors are able to engage effectively with delegates, exhibitors must adhere to this code of conduct.

STAFFING

- Exhibitors should be available during the live open period of the event. Exhibitors are required to be available at the event for the duration of the live opening times (they may also be available during the on demand period although this is not a requirement), to ensure that all delegates have fair access to information and advice.
- All members of staff attending or working at events should be given a copy of the code of conduct, and fully comply with it. Your staff represent your organisation and therefore they should appear professional, friendly and welcoming at all times. They should display a high standard of professionalism in their work, and offer information, advice, and guidance effectively, and with integrity. Any member of staff, who at UCAS' discretion appears to be rude, disregard instructions from the organisers or moderators, or behave in any way that we deem inappropriate for a UCAS exhibition, will have their access/login removed for the event with immediate effect. All incidents of this nature will be followed up and reported to the provider/organisation the member of staff represents.
- Exhibitors should provide appropriate personnel to staff their virtual stand, adequately trained with sufficient knowledge to offer quality representation of their organisation. Pre-event information should be passed on to those attending the event.
- For any live elements of digital delivery, your staff's clothing must be deemed appropriate for a business event and we reserve the right to remove individual access if we deem the clothing to be unsuitable.
- Please carefully consider who should work at each event e.g. do they represent the diversity of your organisation, and ensure a list of staff and their access requirements (e.g. login level – admin or attendee) is registered with UCAS in advance of the event so that logins can be created in a timely manner.
- Exhibitors should inform UCAS if they are unable to host a stand that has been booked and populated with information at a virtual exhibition. It may be that the stand is live, in which case the exhibitor must programme the "away from stand" options to allow the visitors to

interact appropriately. Exhibitors would still obtain leads and would still have visitors collecting information from their stand.

PARTICIPATING IN AREAS OUTSIDE YOUR STAND EG NETWORKING AREAS OR OTHER EXHIBITION STANDS

- The Networking Area and Speed Networking area provide places for you to promote the live meetings you will be hosting (eg. 1-2-1s, speed networking) and also offer an opportunity for you to engage with visitors around topics of interest.
 - Exhibitors may offer information and advice within these meetings as part of the interaction between a stand representative and delegates. In turn they can direct visitors to their stand, by providing a link or inviting attendees to a meeting on their stand.
 - Exhibitors can promote their participation in Speed Networking via the Networking Area.
 - Exhibitors can promote the times of 1-2-1, group meetings or live chat hosted on their stand/booth **by posting** a stand/booth link in the networking area e.g. Visit the Uni of X stand and click on the handshake to book your meeting.
 - Exhibitors may invite attendees to their stand to access resources or to participate in meetings.
 - Exhibitors may contact attendees using the “who’s here” list at the top of the screen when logged into the conference. Here you can search for attendees based on:
 - whether they are participating in the speed networking
 - attendee type (delegate, speaker, exhibitor etc)
 - organisation type
 - county
 - Exhibitors may message attendees to invite them to meetings or to visit their stand.
 - Exhibitors may take part in the discussion topics taking place in the Networking Area and respond to questions but must remain impartial at all times and must not direct visitors to their booth/stand from these discussion groups.
- Exhibitors may not join discussions on other exhibitors’ stands.
- Breakouts should be delivered in an impartial way. To uphold the event’s impartiality, those asked to deliver a breakout at an event must ensure their presentation delivers general advice and guidance, and not be perceived to deliver an unfair bias towards a particular higher education provider, organisation, or company. Any presenter who does not support impartiality will be prohibited from delivering sessions at future events. Webcasts delivered as part of a stand activity do not fall into this rule, however they must not be derogatory or negative toward other exhibitors.
- Exhibitors may participate in breakout discussions, but must remain impartial at all times.

MARKETING MATERIALS

All promotional materials that are uploaded to the virtual event should be relevant and provide a balanced view of the organisation it represents e.g. if an organisation were to state “The University

of X is in the Top 5 for Student Experience in the UK”, there should be a reference to the source of this statistic.

VIRTUAL EVENTS CONTENT, DESIGN AND THEME

All Virtual Event Platform content, design and theme must:

- j. comply with all applicable laws;
- k. be true, complete and accurate;
- l. not contain any personal data (within the meaning of general data protection legislation);
- m. contain no marketing promotions (whether third party or otherwise unless agreed with UCAS in advance of the event);
- n. not contain any viruses;
- o. not be libellous, contain any foul language or other obscenities;
- p. not be likely to infringe UCAS intellectual property rights or any other legal rights of us or any other third party, such as another exhibitor;
- q. not be undesirable or detrimental to the Virtual Event, or to other fellow Exhibitors; and
- r. not contain any words, images, or material that could, in the sole opinion of UCAS or UCAS Media, potentially harm the reputation of UCAS.

Please be advised that if a stand content, design or theme is deemed inappropriate or non-compliant at UCAS’ sole discretion, you may not be permitted on the platform.

UPHOLDING THE CODE OF CONDUCT AND RAISING CONCERNS

UCAS recognises that exhibitors work hard to comply with the code of conduct, and in the unlikely event that issues arise, any concerns will be addressed quickly. Any exhibitor, speaker or visitor with concerns should initially raise these with the UCAS event support team. A UCAS representative will liaise with the relevant exhibitor(s) to seek a resolution and remind them of the expectations set out in this Code of Conduct. All issues raised will be logged and reviewed regularly by UCAS.

If issues arise repeatedly, the provider/organisation will be notified, and in our sole discretion appropriate resolution sought.

ATTENDANCE AT FUTURE EVENTS MAY BE JEOPARDISED IF THE CODE OF CONDUCT IS NOT UPHELD.

For the avoidance of doubt, any breach of this Code will constitute a material breach of contract, entitling us to exercise any of our rights contained herein, including termination and will not entitle you to any refund of the Fee and you may be liable to reimburse us our costs incurred in respect of services in connection with the Event.

UCAS can be contacted at events@ucas.ac.uk before, during and after the virtual exhibition/event.

Exhibitor code of conduct (physical exhibitions and other events)

Updated: January 2020.

Exhibitor code of conduct (physical events) to be reviewed closer to the time and will reflect the UK Government roadmap to recovery.

Who does this apply to?

This code of conduct forms part of the exhibitor terms and conditions and applies to exhibitors or organisations/sole traders of any background booking marketing opportunities or stand space at an exhibition or conference.

Introduction

UCAS organises a network of events across the UK, for prospective students to gather information, advice, and guidance about education and career opportunities, from a wide range of course providers and organisations. To ensure students' needs are at the heart of the events, and all exhibitors are able to engage effectively with them, all exhibitors must adhere to this code of conduct. The code of conduct has been agreed jointly between UCAS and HELOA.

Staffing

- Exhibitors should arrive and set up in sufficient time before opening of the event, and not depart until it has officially closed. Exhibitors are required to remain at the event for the duration of the opening times, to ensure that all visitors have fair access to information and advice.
- All members of staff attending or working at events should be given a copy of the code of conduct, and fully comply with it. They should display a high standard of professionalism in their work, and offer information, advice, and guidance effectively, and with integrity. Any member of staff, including contractors and couriers, who are rude, disregard instructions from the organisers, or behave in any way that is deemed inappropriate for a UCAS exhibition, will be asked to leave the event. All incidents of this nature will be followed up and reported to the provider/organisation the member of staff represents.
- Exhibitors should provide appropriate personnel to staff the stand, adequately trained with sufficient knowledge to offer quality representation of their provider or organisation. Pre-event information should be passed on to those attending the event.
- Please carefully consider the number of staff working at each event. All staff should be able to comfortably work within the allocated space provision. UCAS recommends no more than two staff on a 2m x 1m stand, three people on a 3m x 2m/3m x 3m stand, four people on a 4m x 3m and 5m x 3m stand, six people on a 6m x 2m/6m x 3m stand, and eight people on a 6m x 6m stand. Any additional staff may be asked to leave if the health, safety, or comfort of visitors or other exhibitors is compromised.

- Student talks are delivered on an impartial basis. To uphold the event's impartiality, those asked to deliver a student talk at an event must ensure their presentation delivers general advice and guidance, and not be perceived to deliver an unfair bias towards a particular higher education provider, organisation, or company. Any presenter who does not support impartiality will be prohibited from delivering student talks at future events.
- Exhibitors should inform UCAS and the local event organiser if they are unable to attend an event. Many events are at capacity, with a waiting list of exhibitors. Non-attendance at events, without prior notice, may jeopardise future participation.

Marketing materials

- All promotional material should be relevant and provide a balanced view of the organisation it represents.
- Unless a specific stand size has been booked, the standard provision of space is:
- Shell scheme – 3m x 2m. Furniture will not automatically be provided – you can order furniture options when booking.
- Campus events – 2m x 1m. Furniture will not automatically be provided – you can order furniture options when booking.
- Specific stand sizes and locations are selected when booking stands at the Create your future exhibitions. Furniture will not automatically be provided – you can order furniture options when booking.
- Display stands and all materials must be of the appropriate dimensions to fit within this space allocation, without obstructing the aisles or neighbouring stands. Storage space at campus events is minimal, therefore all banner stands/prospectus storage must be kept within the stand area and must not obstruct neighbouring stands/aisle space or cause trip hazards. If the stand size exceeds the provided space allocation, exhibitors will be asked to dismantle/adjust their display materials to fit within the allocated space.
- Promotional activities are not permitted outside or on entrance to an event venue.

During events

- Stands must not be dismantled while visitors remain in the hall, for health and safety reasons.
- Exhibitors must remain on their stand throughout the event and must not carry out any promotional based activity in the gangways or between stands. This is for health and safety, and to ensure visitors are able to access a range of information, advice, and guidance.
- Exhibitors should not leave their stand when trying to get visitors' attention, or when having any discussions with visitors. Please stay on your stand, so the aisles are kept clear.
- Information, advice, and guidance must not be to the detriment of other exhibitors.
- Trolleys/cases cannot be brought onto the exhibition floor during event opening hours.

Upholding the code of conduct

UCAS and HELOA recognise that exhibitors work hard to comply with the code of conduct, and in the unlikely event that issues arise, any concerns will be addressed quickly. Any exhibitor, local event organiser, or visitor with concerns should initially raise these with the UCAS representative attending the event. The UCAS representative will liaise with the relevant exhibitor(s) to seek a resolution. All issues raised will be logged and reviewed regularly by UCAS and HELOA. If issues arise repeatedly, the individual with overall responsibility for UCAS events at the provider/organisation will be notified, and appropriate resolution sought. Attendance at future events will be jeopardised if the code of conduct is not upheld.

If concerns relate to serious health and safety issues, the UCAS representative (or local event organiser) will take any immediate steps required to ensure the health and safety of staff, exhibitors, and visitors.

Outside of events, UCAS can be contacted at events@ucas.ac.uk.

Safeguarding

Anyone coming into contact with children or vulnerable adults (i.e. including by virtual chat, video, chat, telephone, email and social media), shall comply with the following code of conduct.

1. You MUST:

- a. Respect the rights, dignity and worth of every individual and treat everyone with equality;
- b. Ensure that the welfare and safety of children and vulnerable people is your top priority;
- c. Be a good role model and display consistently high standards of behaviour and professionalism;
- d. Ensure that the activities that you are responsible for are appropriate to age, maturity and ability;
- e. Bear in mind the fact that children and vulnerable adults may have complicated and/or traumatic backgrounds which could make them sensitive to certain issues;
- f. Recognise an individual's contributions and give positive, constructive feedback;
- g. Remember that someone else might misinterpret your words or actions, no matter how well intentioned;
- h. Take disclosures seriously and report them in writing as fully as possible, as detailed in paragraph 3 below.
- i. When working or communicating with a child or vulnerable adult (including by virtual chat, video, chat, telephone, email and social media), maintain an appropriate distance, both professionally and physically;
- j. Ensure that when you have face-to-face contact with children or vulnerable adults, it is in an open environment and if possible with a responsible adult present;
- k. For any employee under 18, you should ensure that their activities are planned in advance and where possible, any meetings are not held in closed meeting rooms.

2. You must NEVER:

- a. Have physical contact with, or get too close to, children or vulnerable adults (there may be occasions when limited contact is appropriate, e.g. a handshake in a professional environment);
- b. Use actions or language that may cause a child or vulnerable adult to lose self-esteem or confidence, or to feel uncomfortable, including use of inappropriate language;
- c. Make sexually suggestive comments to a child or vulnerable adult, even in fun;
- d. Allow allegations of harm made by a child or vulnerable adult to go unreported; and
- e. Exchange personal contact information with a child or vulnerable adult, or engage in personal communication with a child or vulnerable adult.

3. Disclosure of allegations

If a child or vulnerable adult discloses an allegation of abuse or you have reason to believe they have suffered harm or are otherwise at risk of harm, or harm to or abuse of a child or vulnerable adult is observed by you, this should be immediately reported to events@ucas.ac.uk. It should then be

recorded in writing with as much detail as possible, including the date, time and place of any relevant conversation, the essence of what was said and done by whom and in whose presence.

If a person discloses such information, you should take the disclosure seriously, listen to the person and accept what is being said. You should not express shock, ask leading questions or make promises you are unable to keep (e.g. to keep the information confidential or to stop the abuse happening). You should inform the person at the beginning of the disclosure that you will not be able to keep the information confidential. It may be appropriate to stop the disclosure if you feel that enough detail has been given to enable you to report it.

4. Whistleblowing

There will be no retribution against anybody reporting concerns or allegations about the behaviour of colleagues where this is done in good faith and in the public interest.

- Example Exhibitor risk assessment – Available from ENet.
- Contractor, constructed, and space only stand guidelines.
- UCAS external contractors.
- UCAS: public and employers' liability insurance – Available from ENet.

The safety of event exhibitors and visitors is paramount. As a result, UCAS has compiled this manual to guide you through your event activities.

Please read the manual and supporting documents and pass on to anyone involved in attending a UCAS higher education exhibition.

EXHIBITOR RESPONSIBILITIES – RISK ASSESSMENTS AND GUIDELINES

An exhibition stand is a workplace covered by health and safety legislation. As the exhibitor, it is your responsibility to ensure a suitable and sufficient risk assessment is completed prior to your attendance, and adequate insurance is in place. Failure to do so could lead to delays, and ultimately, the closure of your stand.

When completing your online booking to exhibit, you are required to acknowledge that you will implement appropriate control measures to reduce the risk of injury on and around your stand. You will be prompted to submit an exhibitor risk assessment, an Example Risk Assessment (that highlights the associated risks of exhibiting) is available for you to use or you can submit your own risk assessment.

The control measures in the example Exhibitor Risk Assessment are in place to provide a safe environment for all exhibitors, staff, and visitors attending the UCAS exhibitions. This example risk assessment, while by no means exhaustive of the potential hazards, should highlight the key hazard areas associated with events of this nature.

The example risk assessment can be download from our website when available:

- For higher education exhibitions 2021: <https://www.ucasmedia.com/content/exhibitions-2021>

- For Create your future 2021: www.ucasmedia.com/content/create-your-future-0
- [Each Exhibitors secure ENet account.](#)

By submitting your risk assessment and agreeing to the Exhibitions terms and conditions, you will be agreeing, on behalf of your organisation/course provider, that you and any member of your staff will agree to comply with your risk assessment and that you and your staff will implement the necessary control measures outlined to prevent such risks from occurring. It is only intended to cover the period of time from arriving at the venue, to the point at which you leave.

UCAS is required to collect this information from all exhibitors to comply with health and safety regulations imposed on us by all exhibition venues. When submitting your booking, please ensure:

- 1) You have completed and submitted an Exhibitor Risk Assessment.
- 2) You retain one copy of your Exhibitor Risk Assessment for your records.
- 3) A copy of your Risk Assessment is passed on to all staff members representing your course provider at a UCAS exhibition.

For the Create your future event, exhibitors must complete additional risk assessments for the following activities (if applicable):

- **performances on main stage**
- **buskers stage performance**
- **interactive workshops**
- **any other additional activities (please discuss with the organiser)**

CONTRACTOR, CONSTRUCTED, AND SPACE ONLY STAND GUIDELINES

If your course provider/organisation is using external contractors to build or install your stand at any of the venues, you should ensure you obtain a risk assessment from them and submit the following to the organisers from all contractors:

- risk assessment
- method statement (if a complex structure or space only)
- scale drawing (if a complex structure or space only)

These should be forwarded to the organisers at least six weeks prior to the relevant event(s). Additional Risk Assessments are on the UCAS exhibitions website, and your external contractors may use them as a template.

For more advice, please contact the organiser of the event for which you will have a space only stand.

UCAS EXTERNAL CONTRACTORS

Approved contractors' commitment to safety:

UCAS works in close collaboration with all contractors to ensure safety is considered paramount for all staff and visitors involved in the event. Please see the following pages for the contact details, risk

assessment, public liability insurance, and employers' liability insurance certificates of our main contractor employed to deliver core services at events.

An exhibition stand is a workplace covered by health and safety legislation. As an exhibitor it is your responsibility to ensure that a suitable and sufficient risk assessment is completed prior to your attendance. Failure to do so can lead to delays or ultimately the closure of your stand.

By submitting your online booking, you are being asked to agree on behalf of your organisation that you and your staff will comply with our Health and Safety policy, including the Covid-19 mitigation measures. All exhibitors must understand and comply with ALL safety measures set out by UCAS and Venue.

Allocation of exhibitor stand space (Higher Education Exhibitions only)

UCAS Events, in conjunction with Local Event Organisers, will endeavour to accommodate all exhibitors at education exhibitions of their choice and in accordance with their specified level of participation.

In the event of some venues not being able to accommodate all exhibitors, a mechanism based on a priority and sequential draw system has been agreed with UCAS and HELOA, whereby space is allocated fairly and in line with perceived priorities on behalf of both visitors and exhibitors.

SHELL SCHEME EXHIBITIONS

Definition: Exhibitions which are located in large population areas and shall be held in an appropriate commercial venue. Shell scheme exhibitions are organised and funded entirely by UCAS.

	Shell scheme
Anticipated number of exhibitors	140 – 250
Anticipated number of visitors	2,500 – 14,000

UCAS EXHIBITIONS – CAMPUS

Definition: Exhibitions which are located in smaller population centres, compared to Shell Scheme Exhibitions, and shall be held on a higher education provider's campus or, where necessary, in an appropriate commercial venue. They shall be organised and funded by either a relevant local higher education provider or sector relevant organisation, with additional funds provided from UCAS in the form of sponsorship.

	Extra large	Large	Medium	Small
Anticipated number of exhibitors	Up to 200	Up to 170	Up to 150	Up to 40
Anticipated number of visitors	5,000 – 8,000	2,500 – 4,999	1,000 – 2,499	Less than 1,000

For any complex exhibition stands/spaces or any stand over 4 (four) metres, a structural engineer is required to agree the plans and see and sign off the exhibition stand once built. Exhibiting organisations should submit their risk assessments and method statement along with the structural engineer request. UCAS will arrange a structural engineer and charge this back to the exhibitor. This cost will not exceed £500 +VAT.

PRIORITIES WITH REGARD TO EXHIBITOR PARTICIPATION

Priority One: Any major national or regional sponsor of the Exhibition network.

Priority Two: Subscribers within the HELOA region where the event is located.

Priority Three: Pay-per-event exhibitors who have paid an individual fee to attend the Exhibition. The overall capacity for pay-per-event exhibitors shall be no less than 5% of the total space available.

Priority Four: Level One and Level Two subscribers outside the HELOA region where the event is located. Where numbers in this priority wishing to attend exceed the available space then attendance will be determined by a sequential draw, with a reserve list in the event of cancellations.

Priority Five: Non-attendance or leaving early at any Exhibition without reasonable notification (one week), will create a priority five level for the Exhibitor at any Exhibitions requiring a sequential draw the following year.

Waiting lists are created automatically for all events and regularly reviewed between UCAS and the relevant organiser.

CONDITIONS OF THE SEQUENTIAL DRAW SYSTEM

Where participating Higher Education Providers are excluded from any exhibition following a sequential draw, they will automatically have Priority Two status the following year.

When allocating space, the draw system will also make provision, to ensure that participating Higher Education Providers are representative of all HELOA regions.

To ensure equity, the draw system will be the responsibility of UCAS.

No subscriber will be excluded from any one event by the draw system more than once in two years.

Please Note: Demand for space at many regional events can often exceed supply. Unless at least one week's notice is given to the organiser, non-attendance at events will result in the exhibitor having a Priority Five level of attendance in the following year.

FLOOR PLAN

A strict method of how stands are allocated is followed across the network:

- Exhibitors are to be placed in alphabetical order based on their Higher Education Provider UCAS number or company name.
- Non-FE/HE providers are grouped together in a prime area of the exhibition, subject to space allowance

Extra stand space priorities

When supply does not meet demand for extra stand space at the exhibitions a priority system will be used.

- 1) Priority one – Service Providers
- 2) Priority two – UCAS HEPs geographically closest to exhibition venue
- 3) Priority three – if still space after priority two, first come first served to non-UCAS HEPs
